

To Whom It May Concern:

I am pleased to have this opportunity to write this letter of recommendation for Farhaan Beeharry.

Each year I notice that only a few outstanding students offer a unique perspective and really embrace their learning of the subject matter. Farhaan Mohammad Sa'ad Beeharry has consistently shown such a strong desire to learn. While his academic grades reflect excellence, his participation in extracurricular activities is on par.

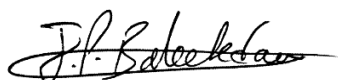

Outside the classroom, Farhaan has not only participated, but also contributed to the organisation of extracurricular activities. He was part of the executive team (Event Organiser) of the LaunchTech Society at Middlesex University Mauritius, in the academic Year 2020 -2021. Throughout such period, he has been able to collaboratively organise many events among other students as well as the staff members. The main one was the highly successful online International Ludo tournament during the pandemic period for Mauritius, United Kingdom, Malta, and Dubai. He shown huge leadership quality, through his coaching and problem-solving ability as he coherently created a user-friendly virtual platform for the participants, who were more than one hundred.

In addition, he planned and organised other events and activities. Farhaan was part of the team behind the Dark web and flutter workshop, 'Among Us' game meetup, fund raising for a disabled school at Laventure (Mauritius), and the MDX Cultural festival. He represented Middlesex University Mauritius in the 2020 DigiCup, and 2021 TechWar, where he finished as runner-up in both inter-university competitions.

Farhaan continues to impress me with his humbleness, knowledge, skill, and dedication to his work. I am sure you will find him to be an asset whose talents will only shine further. His ability to participate in multiple activities and excel in doing so shows a great sense of commitment and joy for working with other people.

I believe that he would perform competently. He has good potential, if challenged, to contribute to any organisation. If you would like to discuss this further, please feel free to contact me on (+230) 403 64 00 or via e-mail: p.baleekdar@mdx.ac.mu.

Yours Sincerely,

Jean Patrice Baleekdar

Student Activities & Sports Coordinator
